

The Mary Baker Eddy Library

A Chronology of Events Surrounding the Life of Mary Baker Eddy

- 1821 July 16 Mary Morse Baker is born on Monday in a New Hampshire farmhouse near the Merrimack River in Bow, a rural township adjoining Concord, New Hampshire.¹ She is the daughter of Abigail Ambrose (born April 18, 1784),² and Mark Baker (born May 2, 1785).³ They married in May 1807.⁴ She is the youngest of six children—three boys (Samuel Dow, July 8, 1808; Albert, February 5, 1810; George Sullivan, August 7, 1812) and three girls (Abigail Ambrose, January 15, 1816; Martha Smith, January 19, 1819; and Mary).⁵
- 1822–1829 Mark Baker serves as clerk of the Union Church at Bow.⁶
- 1829–1830 She claims to hear her name being called by an unidentified voice. This recurs over a twelve-month period. Mehitable Huntoon, Mary’s 24-year-old cousin, hears the voice, too.⁷ Mehitable (born May 2, 1806) is the daughter of Mark Baker’s sister, Hannah.⁸
- 1831 April 26 Mark and Abigail Baker are admitted by letter to North Congregational Church in Concord.⁹
- 1832 March 20 Mary’s brother, Samuel, marries Eliza Ann Glover,¹⁰ sister of George Washington Glover, Mary’s future husband, whom Mary meets for the first time at the wedding. Samuel divorces Eliza for desertion in 1857.¹¹

be published in 1876,¹³⁰ but the printed editions of 1876 and 1879 differ slightly. In 1881, she puts its substance into the chapter “Recapitulation” in *Science and Health*. Pages 167–193 and the Preface of *Science and Health* are jointly published as “The Science of Man” in 1883 and copyrighted as such.¹³¹)

- 1870 March 23 She returns to Sarah O. Bagley’s home in Amesbury for six weeks.¹³² Bagley becomes her fourth student.¹³³
- 1870 May 13 She moves to Lynn with student Richard Kennedy, and they stay for a short time with Thomas Clarkson Oliver at 31 South Common Street.¹³⁴ She will reside in Lynn from 1870 to January 1882 (except for ten months in Boston 1879–1880,¹³⁵ and her trip to Washington, D.C.,¹³⁶ and Philadelphia, Pennsylvania, in the spring of 1882).¹³⁷
- 1870 June–July She and Richard Kennedy maintain separate rooms at a boarding house at 71 South Common Street in Lynn.¹³⁸
- 1870 June 18 She enters into a partnership with Richard Kennedy. She assumes the role of teacher, and he acts as the primary public Christian Science healer or practitioner.¹³⁹
- 1870 August She and Richard Kennedy move into the second floor quarters over Susie Magoun’s private school for young children on the corner of 29 South Common and 2 Shepard Streets in Lynn.¹⁴⁰

- 1871 early July She visits her family in Tilton for one to two weeks.¹⁴¹
- 1872 January She begins writing *Science and Health*.¹⁴² Her first working title for the book is “The Science of Life.”¹⁴³
- 1872 January 20 She writes her first public statement explaining and defending the “moral science” she has discovered, uses to heal, and is teaching others to practice. It is published in the *Lynn Transcript*,¹⁴⁴ and serves as an answer to an attack made by Wallace W. Wright (a student from the 1871 class) and published in the same newspaper the week before.¹⁴⁵
- 1872 February 3 Her second public statement of Christian Science appears as a letter published in the *Lynn Transcript*. The letter is headed “Moral Science and Mesmerism.” She also mentions that she is working on a manuscript that will explain her theories in great detail.¹⁴⁶
- 1872 March 14 She begins teaching her fourth class, which includes Lydia Merrill, Elizabeth Nichols, Miranda R. Rice, and Peter Sim.¹⁴⁷ No further classes will be taught until the spring of 1875.¹⁴⁸
- 1872 May 8 She ends her partnership with Richard Kennedy.¹⁴⁹
- 1872 mid May She visits her family in Tilton.¹⁵⁰
- 1872 August 23–September She leaves the home of Susan Chadwell, 20 Commercial Street in Lynn, because Chadwell takes up too much of her time while she is

- 1889 February 25–March 5 She teaches her last Primary class: 65 students in seven lessons.⁴⁴⁵ Joshua F. Bailey takes notes at her request.⁴⁴⁶
- 1889 March Christian Science tracts begin to appear on a sporadic basis—a total of 30 are eventually published.⁴⁴⁷ The sale of some continues through April 1903.⁴⁴⁸ They are precursors of leaflets on Christian Science.
- 1889 March 5 She tells the Primary class that Christian Scientists can become members of the “mother church” in Boston, even “without their personal presence.”⁴⁴⁹ The term “mother church” is published for the first time in the August 1887 *Journal*.⁴⁵⁰
- 1889 April It is announced at the Easter Sunday service that “the regular Friday evening meetings of the church will become public meetings at Steinert Hall [Hotel Boylston] and will include an address, relation of experiences, and inquiries from the audience.”⁴⁵¹ Hotel Boylston is also the address of the Publishing Society and the Reading Room. Sunday services continue at Chickering Hall.⁴⁵²
- It is also announced at the Easter Sunday service “that a Christian Science Mission and Dispensary would be opened during Easter week, for work among those unable to pay for healing, and prevented by their circumstances from hearing the Glad Tidings unless taken to them by messengers of Truth.”⁴⁵³
- 1889 May 1 The first issue of the *Christian Science Series* appears. This semi-monthly periodical continues through April 15, 1891. The publication was the idea of editor Joshua F. Bailey.⁴⁵⁴
- 1889 May 21 She teaches a Normal class for one day.⁴⁵⁵ Joshua F. Bailey again

- takes notes.⁴⁵⁶ This is her last class until November 1898.⁴⁵⁷ (Ebenezer J. Foster Eddy conducts the remainder of the class, which closes May 25.)⁴⁵⁸
- 1889 May 22 or 23 She leaves Boston and goes to Barre, Vermont, for four weeks.⁴⁵⁹
- 1889 May 28 She resigns the pastorate of the Boston Church of Christ (Scientist).⁴⁶⁰ Lanson P. Norcross of Oconto, Wisconsin, assumes the pastorate on August 25.⁴⁶¹ He resigns in February 1893.⁴⁶²
- 1889 May 31 The Christian Science Dispensary Association is organized.⁴⁶³ It operates under the auspices of the Church. Christian Science Rooms and Dispensary are opened at 7 Temple Street in Boston.⁴⁶⁴ At this point there are two dispensaries in Boston.⁴⁶⁵ The one at 3 Boylston Place is no longer listed in the *Journal* after November.
- 1889 June She announces in the *Journal* her retirement as teacher in the Massachusetts Metaphysical College and as pastor of the Church of Christ (Scientist), Boston.⁴⁶⁶
- She gives the *Journal* to the National Christian Scientist Association at its meeting in Cleveland, Ohio.⁴⁶⁷ The NCSA Publication Committee is responsible for publishing it through 1897.⁴⁶⁸
- She calls for the organization of Christian Science churches. These will eventually become branches of The Mother Church, in its reorganized form as The First Church of Christ, Scientist, in Boston, Massachusetts, in 1892.⁴⁶⁹ The NCSA is to appoint a

- committee “to look after church work and organization.”⁴⁷⁰
- 1889 late June She moves to a rented house at 62 North State Street, Concord, New Hampshire, and lives here for a total of two years and eleven months.⁴⁷¹
- 1889 July The church is unable to pay the mortgage on the land at the corner of Falmouth Street,⁴⁷² which it had purchased in July 1886 for the purpose of erecting a church edifice.⁴⁷³
- 1889 July 4 She spends the holiday at a farm at Silver Hill, New Hampshire.⁴⁷⁴
- 1889 late July She stays in Boston for two months.⁴⁷⁵
- 1889 August She publishes a notice of the “Order of Church Service” on page 210 in the August *Journal*.
- 1889 September 1 The Boston church services are moved from the afternoon to 10:30 a.m., with Sunday School following at 12 noon.⁴⁷⁶
- 1889 September 23 The Christian Scientist Association is dissolved.⁴⁷⁷ After the CSA is dissolved, the “[Emma Curtis] Hopkins Metaphysical Association” at its regular monthly meeting December 30, 1889, votes to change its title to “The Christian Science Association,”⁴⁷⁸ a title close to, and with its initials confusingly identical with, those of Eddy’s association.
- 1889 late September She returns to 62 North State Street, Concord.⁴⁷⁹
- 1889 October William G. Nixon becomes publisher of her writings.⁴⁸⁰

- 1889 October 29 The Massachusetts Metaphysical College is dissolved.⁴⁸¹
- 1889 December 2 Church of Christ (Scientist), Boston, abandons its congregational organization by the unanimous vote of the membership. It retains its name and continues to hold Sunday services and Friday evening meetings as a voluntary association.⁴⁸²
- 1889 December 9 An advertisement in the *Boston Herald* states that the lot of land purchased for building the Original Edifice and acquired by her on foreclosure of the mortgage is available for purchase.⁴⁸³
- 1889 December 10 At her request, Ira Oscar Knapp purchases the lot of land originally purchased for building the Original Edifice.⁴⁸⁴ Baxter E. Perry quitclaims it to him.⁴⁸⁵
- 1889 December 18 Ira Oscar Knapp's Deed of Trust conveys the land for a church to three Trustees: Alfred Lang, Marcellus Munroe, and William G. Nixon. The Deed also establishes a Board of Directors responsible for maintaining church services and employing a pastor to preach strictly in accord with Christian Science. The Directors are David Anthony, Joseph S. Eastaman, Eugene H. Greene, William B. Johnson, and Knapp.⁴⁸⁶
- 1890 During this year she makes brief visits to Boston,⁴⁸⁷ and Tilton, New Hampshire.⁴⁸⁸
- 1890 January A monthly publication entitled *Christian Science Bible Lessons* begins.⁴⁸⁹ After three issues it appears in April 1890 as a quarterly with the cover title *Christian Science Quarterly*.⁴⁹⁰ The December 1889 *Journal* carries a notice that the *Christian Science Bible Lessons* that appear in January are prepared by a number of Christian Science workers, and would include some new

- features.⁴⁹¹ The December Lessons had been prepared by Frank E. Mason whose Bible Lessons had appeared in the *Journal* from August 1888 (though not continuously).⁴⁹²
- 1890 May The Christian Science Dispensary at 7 Temple Street moves to 24 Boylston Street.⁴⁹³ This is the same address as the Publishing Society and the Reading Room. The street would be renumbered in January 1891 and the address would become 62 Boylston.⁴⁹⁴
- 1890 May 27–28 The National Christian Scientist Association meets and, at her request, dissolves; technically it adjourns until 1893.⁴⁹⁵
- 1890 June 6 The fiftieth edition of *Science and Health* is copyrighted.⁴⁹⁶
- 1890 September She publishes in the *Journal* “Seven Fixed Rules” that state she is not to be consulted about Christian Science practitioners listed in the *Journal*, periodical content, marriage relations, choice of pastors, disaffection between Christian Scientists, admittance of members or their discipline, and treatment of the sick.⁴⁹⁷
- 1890 November The *Journal* announces the first *Christian Science Hymnal* published by the Christian Science Publishing Society as a four-page leaflet containing 17 hymns (later 25).⁴⁹⁸ A book-size hymnal does not appear until 1892.⁴⁹⁹
- 1890 December Sarah J. Clark becomes editor of the *Journal*.⁵⁰⁰ (She will serve through December 1891.)⁵⁰¹
- 1891 January 19 The fiftieth edition of *Science and Health* is published—a major

⁶⁴⁶ “Mrs. Eddy’s Letter to The Church,” *The Christian Science Journal*, February 1898, 664–66.

- 1898 January 21 The Christian Science Publishing Society, Inc., sells all its property to her at her request and the corporation dissolves.⁶⁴⁷
- 1898 January 25 The Christian Science Publishing Society as it now exists is created by a Deed of Trust with three Trustees.⁶⁴⁸ All of Christian Science Publishing Society property is a gift from her to The Mother Church. Edward P. Bates, James A. Neal, and William P. McKenzie constitute the Board of Trustees.⁶⁴⁹
- 1898 February 14 Irving C. Tomlinson gives the first Christian Science lecture in Lynn, Massachusetts.⁶⁵⁰
- 1898 February 24 Eddy writes the By-Law establishing the Board of Education.⁶⁵¹ The By-Law appears on page 6 of the September 29, 1898, issue of the *Christian Science Weekly*. The Board is first mentioned in a notice in the *July Journal* as being “recently provided for” but not yet “formally organized.”⁶⁵²
- The first Normal Class under the Board of Education auspices is held in January 1899, with Edward A. Kimball as the teacher.⁶⁵³ (Eddy taught the first Normal Class in August 1884.)⁶⁵⁴ Septimus J. Hanna is President; Kimball is Secretary; Laura Lathrop is Treasurer; Alfred E. Baker teaches obstetrics.⁶⁵⁵ The Board of Education also holds five Primary classes between October 1903 and December 1905.⁶⁵⁶
- 1898 February 27 She delivers a sermon at Christian Science Hall in Concord. Her text is Psalm 91. Forty-seven First Members were invited.⁶⁵⁷

⁶⁵⁷ “A Memorable Occasion,” *The Christian Science Journal*, April 1898, 3.

- 1898 March The first Christian Science church in Germany is organized in Hannover.⁶⁵⁸
- Primary class teaching resumes.⁶⁵⁹
- 1898 April 26 She instructs the Bible Lesson Committee to institute 26 Bible Lesson subjects she has devised.⁶⁶⁰ They first appear in the July *Christian Science Quarterly*. They are used at the morning services instead of the adapted International Bible Lessons, which continue as the basis of evening services.
- 1898 May 11 She writes the “Notice” for the June *Journal* changing Friday evening meetings to Wednesday.⁶⁶¹
- 1898 June 5 There are two Communion services held this day. Her message to The Mother Church, “Not Pantheism, but Christian Science,” is delivered by the First Reader, Septimus J. Hanna, at the end of the Communion service.⁶⁶² (This is published as *Christian Science versus Pantheism*—first announced in the *Sentinel*.)⁶⁶³ There is no Annual Meeting this year.
- 1898 July She adds Annie M. Knott and Sue Harper Mims to the Board of Lectureship.⁶⁶⁴
- 1898 July 30 Edward P. Bates resigns from Board of Trustees of the Publishing Society.⁶⁶⁵ The resignation takes effect upon the appointment of Thomas W. Hatten on September 9.⁶⁶⁶
- 1898 August 11 The By-Law is amended to restore Annual Meetings, but they are moved to June from October, so no meeting is possible in 1898.⁶⁶⁷ (Note: There were no meetings in 1897, 1898, or 1901.) The meetings are held on Tuesdays on varying June dates until the By-

Law is changed in July 1908.

- 1898 August 20 She writes to William P. McKenzie as a Trustee of the Publishing Society about the need to publish a “weekly newspaper.” She names it the *Christian Science Messenger*.⁶⁶⁸
- 1898 September 1 The *Christian Science Weekly* is established.⁶⁶⁹ Four months later it is renamed *Christian Science Sentinel* (January 26, 1899).⁶⁷⁰
- 1898 September 9 Thomas W. Hatten is appointed to the Board of Trustees of the Publishing Society.⁶⁷¹
- 1898 September 28 Irving C. Tomlinson gives the first lecture in The Mother Church.⁶⁷²
- 1898 September 29 *Christian Science versus Pantheism* is published.⁶⁷³
- 1898 October 21 James A. Neal resigns as a Trustee of the Publishing Society. Joseph B. Clark is appointed to replace him.⁶⁷⁴
- 1898 November 20–21 She teaches her last class—a Normal class in two sessions—in Christian Science Hall in Concord, to 66 Christian Scientists and two newspapermen (George H. Moses, later US Senator from New Hampshire, and Allan H. Robinson).⁶⁷⁵ Seventy were invited; William G. Ewing and Ruth B. Ewing were delayed and did not attend.⁶⁷⁶
- 1898 December 13 The Board of Directors adopts the By-Law establishing the Publication Committee.⁶⁷⁷ It is later renamed the Committee on Publication.⁶⁷⁸
- 1899 January 2–7 The first Normal class taught by the Board of Education is held.

- Edward A. Kimball is the teacher.⁶⁷⁹
- 1899 January 26 The *Weekly* is renamed the *Christian Science Sentinel*.⁶⁸⁰
- 1899 late February An address by Eddy is read at Christian Science Hall after Concord members complete church organization on February 22.⁶⁸¹
- 1899 March 16 The tenth edition of the *Church Manual* is published.⁶⁸² Revisions in this edition include switching the duties of Readers: the First Reader is to read from *Science and Health*, and the Second Reader is to read from the Bible.
- 1899 April The *International Bible Lessons* are dropped completely and the *Quarterly Lesson Sermon* used in the morning replaces the International Series in the second service.⁶⁸³
- 1899 May Attacks by Josephine Curtis Woodbury and Julius A. Dresser (a former student of Phineas Parkhurst Quimby's) are published in the *Arena* magazine.⁶⁸⁴
- Christian Science History*, a booklet by Septimus J. Hanna, is published to respond to Josephine Curtis Woodbury's charges regarding Eddy and Phineas Parkhurst Quimby.⁶⁸⁵
- 1899 June The June *Journal* contains the final listing for Christian Science Dispensaries.⁶⁸⁶
- 1899 June 4 A Communion message to The Mother Church by Eddy⁶⁸⁷ is read at four services held this day.⁶⁸⁸
- 1899 June 5 She goes to Boston, spending the night at 385 Commonwealth

- 1903 October The Publishing Society moves to 250 Huntington Avenue.⁷⁷¹
Clearing of the site for the Extension begins.⁷⁷²
- 1903 October 26 The first meeting of the General Association of Teachers is held in Boston.⁷⁷³ Meetings are held in Chicago in October 1904,⁷⁷⁴ and in New York in 1905.⁷⁷⁵ The By-Law in the fifty-sixth edition of the *Church Manual* provides for biennial meetings,⁷⁷⁶ and in the sixty-ninth for triennial (so none were held 1906 and 1907).⁷⁷⁷ In June 1908 the Association is dissolved.⁷⁷⁸
- 1903 November 29 The new edifice of First Church of Christ, Scientist, New York, costing almost two million dollars, is dedicated.⁷⁷⁹ This is Augusta E. Stetson's church.
- 1904 The "Present Order of Services" in the forty-fifth edition of the *Church Manual* is the same as the current "Order" with the exception of the organ prelude and voluntary, added later.⁷⁸⁰
- 1904 March The By-Law "Privilege of Members" provides for College Organizations.⁷⁸¹ The first Organization is at Harvard University in Cambridge, Massachusetts.⁷⁸²
- 1904 May Edward A. Kimball resigns from Board of Education.⁷⁸³ He is replaced by Eugene H. Greene.⁷⁸⁴

- 1904 June 12 Three Communion services of The Mother Church are held in the church auditorium.⁷⁸⁵
- 1904 June 13 Christian Scientists visit Concord to see the church edifice, nearing completion.⁷⁸⁶ A gavel is presented by Eddy to Edward P. Bates, President of The Mother Church.⁷⁸⁷ This takes place on North State Street, where the people are assembled on the lawns in front of the Unitarian Church and High School.⁷⁸⁸
- 1904 June 14 The Annual Meeting of The Mother Church is held in Symphony Hall.⁷⁸⁹
- 1904 July 16 The cornerstone of the Extension of The Mother Church is laid.⁷⁹⁰
- 1904 July 17 First Church of Christ, Scientist, Concord, New Hampshire, is dedicated free of debt, largely through a gift from her (\$100,000 had been given by Eddy to three trustees to build a granite church).⁷⁹¹ She pays her only visit to this church in September 1905.⁷⁹²
- 1905 April 28 She purchases 387 Commonwealth Avenue in Boston, next door to the First Reader's residence.⁷⁹³
- 1905 June 11 Three Communion services of The Mother Church are held in the church edifice.⁷⁹⁴
- 1905 June 13 The Annual Meeting of The Mother Church is held in the church edifice.⁷⁹⁵
- 1905 June 17–July 1 She requests special prayer for end of Russo-Japanese War.⁷⁹⁶ She

- rescinds this request on July 1.⁷⁹⁷
- 1905 September 12 She makes her only visit to First Church of Christ, Scientist, Concord. She does not speak.⁷⁹⁸
- 1905 October 1 Three services each Sunday are introduced in The Mother Church: 9:00 a.m., 11:30 a.m., and 3:00 p.m.⁷⁹⁹
- 1906 June 10 The first services in the Extension of The Mother Church are both a Communion service and a dedication service. A notice is published that sufficient funds are in hand to cover the cost of the building.⁸⁰⁰ To accommodate those who attend, six identical services are held this day. Her message, "Choose Ye," is read by William Denison McCrackan, First Reader.⁸⁰¹
- 1906 June 12 The Annual Meeting is held in the Extension twice this Tuesday, at 10:00 a.m. and 2:00 p.m., so that all members who have come to Boston can attend.⁸⁰²
- 1906 July 30 She requests that the Board of Directors enlarge *Pulpit and Press* with a full account of what they had written and all the other periodicals had said about the new Extension of The Mother Church.⁸⁰³ She includes permission to use her dedicatory message, "Choose Ye."⁸⁰⁴
- 1906 September 8 Joseph B. Clark, Trustee of the Publishing Society, dies.⁸⁰⁵
- 1906 September 25 Allison V. Stewart is elected as a Trustee of the Publishing Society by the Christian Science Board of Directors.⁸⁰⁶ Eddy had declined to fill the vacancy.⁸⁰⁷

- 1906 October 8 She requests Joseph Armstrong to send her all the material he had gathered for *The Mother Church of Christ, Scientist, and Miscellany*.⁸⁰⁸
- 1906 October 11 She applies to the Librarian of Congress for the copyright of *The First Church of Christ, Scientist, and Miscellany*.⁸⁰⁹
- 1906 October 19 The current edition of *Science and Health* is copyrighted.⁸¹⁰ It is renewed in 1934.⁸¹¹
- 1906 October 28 The *New York World* begins a series of attacks on her.⁸¹² The reporters had been to Concord on behalf of Joseph Pulitzer, and were granted a short interview with her to refute the claim that she was dead, and that a dummy or household member, Pamela J. Leonard, was substituting for her on her daily drive.⁸¹³
- 1906 October 30 She meets with eleven or twelve representatives of the press who had come to Concord following the *New York World* attack. Sibyl Wilbur represents them in presenting four questions to her. After answering the third question, Eddy leaves to take her daily drive. She does not answer the fourth question.⁸¹⁴
- 1906 November George Washington Glover, Jr.'s cooperation is sought by the *New York World* for legal action against his mother.⁸¹⁵
- 1906 December Georgine Milmine's forthcoming hostile series on Eddy in *McClure's Magazine* is announced.⁸¹⁶
- 1907 The last copyright (1906) of *Science and Health* during her lifetime appears in the 1907 edition.⁸¹⁷

is published.⁸⁵⁵

1907 December 9 Joseph Armstrong dies.⁸⁵⁶ (At the time, he was serving as a Director, Publisher of her works, and as Manager of the Publishing Society.)

1907 December 12 A Normal class is held, with Septimus J. Hanna as the teacher.⁸⁵⁷ From this time, classes in the Board of Education are held every three years with no more than 30 students.⁸⁵⁸ Previously, the forty-first edition of the *Church Manual* announced that the Board of Education would receive no more students in the Normal class for three years from December 1903.⁸⁵⁹ In 1903 through 1905, only Primary classes were held.⁸⁶⁰

She calls for “a Christian Science institution for the special benefit of the poor and the general good of all mankind.”⁸⁶¹ This causes much discussion in the press. Alfred Farlow issues a statement regarding her Charitable Fund.⁸⁶² She later decides not to establish such an institution.⁸⁶³

1908 January 6 Allison V. Stewart succeeds Joseph Armstrong as Director and Publisher.⁸⁶⁴ David B. Ogden is elected as Manager of the Publishing Society a few days later, succeeding Armstrong.⁸⁶⁵

William D. McCrackan succeeds Stewart on the Board of Trustees of The Christian Science Publishing Society.⁸⁶⁶

Christian Science practitioner and teacher by the Board of Directors.⁹⁰⁰

- 1909 October 16 “Take Notice” is published, regarding Eddy’s approval of the By-Laws of The Mother Church and her expectation that the Directors will maintain them. In her role as the Leader of the Christian Science movement, she is not personally involved in the affairs of the Church other than through these published rules.⁹⁰¹
- 1909 November She approves the First Reader’s (Clifford P. Smith’s) proposal that a collection be taken Wednesday evenings in November in The Mother Church for distribution to needy employees (former and current) and needy members of the congregation.⁹⁰²
- 1909 November 17 Augusta E. Stetson is dropped from membership in The Mother Church. The finale of events is reported in the *Sentinel* of July 17.⁹⁰³ A complaint was filed against her by the Board of Directors on November 6;⁹⁰⁴ they began hearings November 15,⁹⁰⁵ and concluded proceedings November 17.⁹⁰⁶
- 1909 December 1 The biography *The Life of Mary Baker Eddy and the History of Christian Science* by Georgine Milmine is published.⁹⁰⁷
- 1909 December 18 The new edition of the *Christian Science Hymnal* is advertised in

- the *Sentinel*. It has fifty new hymns.⁹⁰⁸
- 1910 January The Sunday afternoon service is changed to an evening service in The Mother Church.⁹⁰⁹
- 1910 January 5 She is made an honorary member of the New England Women's Press Association.⁹¹⁰
- 1910 January 8 She sends a gift of \$2,250 for enlarging the Publishing House.⁹¹¹
- 1910 January 15 An important message from her (signed by Adam H. Dickey) states that branch churches should adopt a truly democratic form of government.⁹¹²
- 1910 February 7 She states the need for more men in the Christian Science practice.⁹¹³
- 1910 March 12 She publishes a notice in the *Sentinel* about Sybil Wilbur's biography.⁹¹⁴ (It is reprinted in *Miscellany*, 297-98.)
- 1910 March 31 She authorizes the work on the first translation of *Science and Health* into German.⁹¹⁵
- 1910 June 4 She requests that as a rule, no more letters to her shall be published in the periodicals, thus ending a feature that had first appeared in the *Journal* in 1886 and then in the *Sentinel*.⁹¹⁶
- 1910 June 11 The Annual Meeting report illustrates the substantial growth in the movement by the fact that there are 104 additional listings of branch churches and societies since the previous June.⁹¹⁷
- 1910 July 16 Her grandsons, George Washington Glover III and Andrew J.

- Glover, visit her at Chestnut Hill.⁹¹⁸
- 1910 July 29 She drives to her 385 Commonwealth Avenue house and sees The Mother Church Extension from the Fenway.⁹¹⁹
- 1910 August 22 She adds the last provision to the *Church Manual* (Article VIII, Section 22): it requires practitioners to hold in confidence all communications with their patients.⁹²⁰
- 1910 October A few changes in *Science and Health* are made and are incorporated in the edition published in January 1911. In November she requests that her picture be removed from *Science and Health*, *Miscellaneous Writings*, and all her present or future writings.⁹²¹
- 1910 October 1 “Take Notice” is published from her: all inquiries regarding Christian Science practice, the Committee on Publication, Reading Room activities, membership in The Mother Church, etc., must be sent to the Board of Directors. All replies to questions are handled by the Clerk of The Mother Church.⁹²²
- 1910 November 5 An announcement is made that a volume of her *Poems* is at the press.⁹²³
- 1910 November 11 Ira Oscar Knapp dies.⁹²⁴
- 1910 November 21 Adam H. Dickey becomes a Director, succeeding Ira Oscar Knapp.⁹²⁵
- 1910 November 23 A special 96-page Thanksgiving issue of the *Monitor* is published.
- 1910 late November The final revision of the *Church Manual* (eighty-ninth edition) is approved by her.⁹²⁶
